Dear Community Partner,

On March 21, 2026, the Bay Area Sportsman Association (BASA) will host our annual fundraising event in support of youth programs and local wildlife and fish enhancement in our region. This year's event will be held at the Coos Bay Boys and Girls Club bringing together community leaders, families and supporters who believe in investing in the next generation. Doors open at 4:30 pm.

We are writing to invite you to partner with BASA through a donated item, service or experience for our live and silent auctions. Your contribution plays a vital role in helping us continue our mission of promoting mentorship, recreation and opportunities for local youth.

Donated items will receive meaningful exposure before and during the event and will be acknowledged in event materials where applicable. Most importantly, your generosity directly supports programs that make a lasting impact in our community.

We would be honored to include your support in this year's event. A procurement form is provided for your convenience.

Thank you for considering a partnership with BASA. Together, we can make a difference.

Sincerely,

A handwritten signature in black ink that reads "Beets O. Skind".
